

Dear Resident,

Thank you to everyone for your patience during our first week of waterproofing repairs in the garage. I am pleased to report that the exit ramp has been opened and is ready for use. Both ramps will be open until Monday morning.

Next week, we will be closing the entrance ramp for waterproofing repairs. That ramp will likely be closed from Monday, November 20<sup>th</sup> through Monday, November 27<sup>th</sup>. During this time, we will have one-way traffic through the exit ramp.

Also next week, the corridor in front of the Prado Room will be closed for waterproofing repairs. This area will be closed from Monday, November 20<sup>th</sup> through Monday, November 27<sup>th</sup>. During this time, the Prado Room will be closed. Additionally, if you live in the South Tower and need to access the Fitness Center, you will need to transfer between towers through the lobby instead of the pool deck.

**There will be heavy noise on Monday, November 20<sup>th</sup> as the waterprooferers will be grinding the deck in front of the Prado Room for most of the day.**

As an aside, the bank employee parking in the South Tower of P1 will be unavailable due to waterproofing repairs from Monday, November 27<sup>th</sup> through Friday, December 15<sup>th</sup>.
