

Dear Resident –

We hope that you had a delightful week! Here are a few updates that we would like to make you aware of.

Pool and Spa Resurfacing

We want to remind you that the pool and spa will close on January 17th for resurfacing. This is a multi-stage process that we expect to take until February 12th to complete. The first phase will involve draining the pool and demolishing the existing plaster. The demo will be the noisiest part of the project and we expect it to last for two days, Thursday, January 25th, and Friday, January 26th. We will provide status reports as each phase progresses.

Balcony Rail Painting

Beginning in March, we will resume painting of all of the balcony railings. We did a sample balcony in the 05 stack to get an idea of how long it will take to complete the painting of each railing and have scheduled a meeting for February to finalize the timeline. We will provide more details along with a tentative schedule after the February meeting.

On behalf of your Park Laurel team, have a nice weekend!
