

Dear Resident –

Here are a few updates that we would like to make you aware of.

**Proposed Rule Change**

By now, you should have received a draft letter of the new rule being proposed for the Association regarding water heaters.

Please review the proposed rule and provide your feedback for the Board to consider before it makes a final decision on whether or not to adopt the new rule. A copy of the letter has been attached for your convenience.

**AT&T Fiber**

We are happy to report that AT&T has finished the installation and testing of the new fiber optic cable for the Community and services are now available. AT&T will be hosting an event next week on Wednesday, July 11<sup>th</sup>, at 5:30pm to introduce their Fiber services and to answer any questions that you may have. In the meantime, please see the attached flier for pricing and other information.

**Balcony Painting Update**

The balcony painting project will continue next week with the 07 stack. We are notifying each resident in the 07 stack individually with specific dates and times.

On behalf of your Park Laurel team, have a wonderful weekend!
